

■ FOR ENTERPRISE

Diagnose burnout. Bring it to the leadership table.

A 30-day organizational burnout diagnostic. Org-wide assessment, department heatmap, manager training, executive readout.

II. DELIVERABLES

-04 ITEMS

■ 01

Org-wide assessment

Every employee takes the 36-item BurnoutIQ. Each receives a personal result and a Leadership Briefing PDF — privately.

■ 02

Department heatmap

Burnout risk by team, color-coded by severity band, with the dominant archetype called out per department.

■ 03

Manager training

A 90-minute live session on reading the heatmap and running archetype-aware interventions, calibrated to your data.

■ 04

Executive readout

A 60-minute readout to your leadership team with a custom 90-day action plan tied to your top driver concerns.

III. ENGAGEMENT TIMELINE

DAY 0 → 120

IV. INVESTMENT

USD · ONE-TIME

UP TO 50 \$9,750 One team or small org	• MOST COMMON UP TO 100 \$11,750 Default engagement size	UP TO 250 \$14,750 Multi-department
--	---	---

V. DISCLOSURE

Conceptually grounded in published burnout research (Maslach & Leiter).
Original assessment items authored by Pivot Training & Development.
